On Tuesday 8th March 2022, we learned about women who have changed the world! One of the women we discussed was Valentina Tereshkova who was the first female in space and we also learnt about Josephine Baker who fought against racism in the entertainment industry. We also designed certificates for women who were important to us and learnt about Malala Yousafzai and how she fought for equal rights in education. We really enjoyed our day!

School Council

In our school council meeting today, pupils decided they wanted to do something as a school, to help the refugees of Ukraine. Our fantastic team decided that they would like to ask you to please donate new, useful items such as: toothpaste, toothbrushes, soap, shower gel, shampoo, sanitary products, wet wipes or nappies. We would be grateful for any donations of the above and ask if they could please be brought into school next week. We will then ensure that they are delivered to a local collection point. Thank you so much for your continued support. Mrs Leck

EASTER EGGSTRAVAGANZA COMPETITION!

The prizes up for grabs!

Categories:

Year 3 solo & family

Year 4 solo & family

Year 5 solo & family

Year 6 solo & family

Overall winner

This year we are having another 'Eggstravaganza' competition which will be judged on **Wednesday 6th April**. The competition is open to every child and there are Easter egg prizes for the winners.

In order to enter, your child will need to transform the simple egg or eggs (Polystyrene is fine, the eggs don't have to be hard-boiled) into something spectacular- this is where their imagination comes into play. They can use paint, felt tips, glue, wool, material etc to create a likeness of a famous person or object. Their completed work has to be given a name with the word egg somewhere in it- for example Little Regg Riding Hood, Leggo or Finding Nemegg.

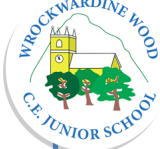

There is no limit to the number of eggs that they can use so if they want to create a pop group they can! Shoe boxes are ideal for creating a backdrop for the egg/s, such as a football match or pop concert. The competition will be split into two categories: family effort and solo.

Each child can only enter into one category to make this a fair chance for everyone.

We hope that everyone will enter. Finished models, complete with the title name can be brought into class on **Wednesday 6th April**. Please do not bring into school prior to this as we cannot guarantee that models won't be accidentally damaged. Please also do not bring into school during the school day as it is difficult to store the models without interrupting the classes during lesson time and we cannot guarantee they will be included in the competition.

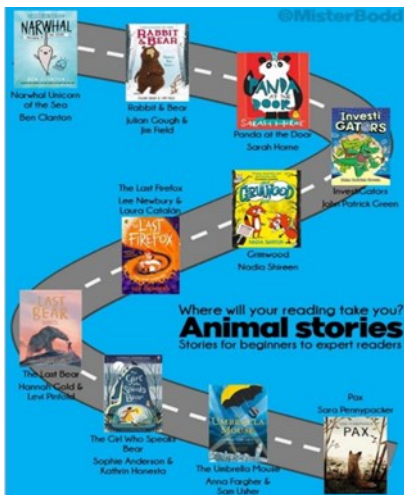

Important: please place your child's name on the underside so that it's not immediately visible.

Good luck!

Woodland Trust's Green Tree Schools Award

Within Forest School this year we have been working together to complete the Woodland Trust's Green Tree Schools Award. We gain points for successfully completing activities that celebrate our environment and sustainability. I am pleased to announce that we have now been awarded the bronze level. In order to achieve this we have participated in activities that have enabled us to look at reducing CO2 emissions, recycling, visiting a woodland and dressing trees. There are many more exciting projects that we will be completing to earn points to work towards our silver, gold and then ultimately platinum award. These include becoming a Woodland Ambassador inspiring others about nature and caring for our environment and we are all very excited about completing these!

Brilliant Book Review!

Me, My Dad and the End of the Rainbow! By Benjamin Dean

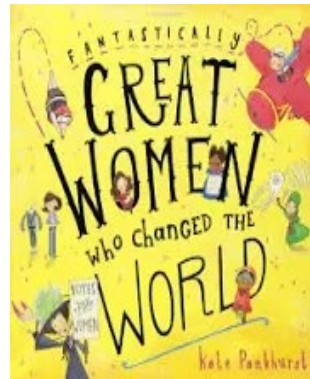

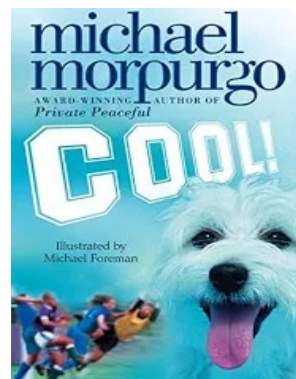

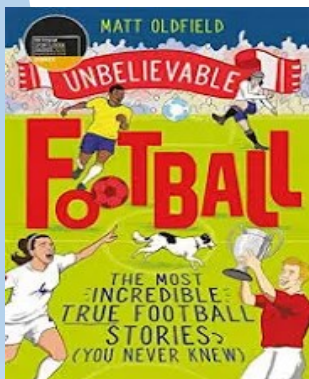

I really enjoyed this book - it was really funny and mysterious because the parents were hiding a secret from their son Archie (the main character.) It was a joy-filled adventure and I would recommend it for ages 7 - 12 year olds. I would give it 5/5 stars because I couldn't put it down!
