

School Improvement Priorities

PE and School Sport: Kerry Slow

Continue the link with the next door school to continue lunchtime matches and organise whole school events like cross country, football matches.

Ensure there are a wide variety of exciting sports clubs for children to attend after school. Track attendance in order to target the least active children.

Introduce a new form of assessment to ensure teaching and learning standards are high.

Ensure a wide variety of sporting fixtures are entered and a high percentage of children are given the opportunity to represent their school in a sports' team. Track the children who have participated in inter and intra school competitions to target those least active.

Keep track of out of school extra-curricular sports teams/clubs children attend and signpost children towards clubs out of school. Work to create more links with clubs in the local area

PE and School Sport at WWJS!

Support staff and build confidence to teach PE effectively using the new scheme and curriculum by providing CPD opportunities where appropriate. Begin a cycle of learning walks, pupil, interviews and staff surveys to monitor teaching and learning.

Organise training for Jumping Jaxx leaders and set up a rota for break time play leaders to develop leadership skills and ensure playtimes are active.
