Swimming

I would like to say an enormous well done and thank you to the children in years 3 and 4 for their fantastic behaviour and attitudes yesterday at their swimming sessions. The children walked sensibly to the Leisure Centre (unfortunately in the rain!) and there were many children who had not been swimming before so this was a new and daunting experience for them. They showed great bravery and resilience in the pool.

All of the children have taken the first steps to developing and improving their confidence and stroke technique with swimming and we look forward to seeing their progress.

Mufti-Day—Monday 23rd May

We will be holding a non-uniform day on Monday 23rd in exchange for a new unused bottle for our Tombola on sports day. This can be anything you like, wine, water, sauce, shampoo! Please ask your child to place their bottle on the trolley in the dining area in the morning.

Wrockers' Got Talent!

At WWJS, we love our annual talent show 'Wrockers' Got Talent!' and would love the pupils to get a chance to take part in it this year! Therefore, class teachers will hold auditions sometime before the last week of term and there will be one winning act chosen from each class, who will perform to the rest of the school, during the last week of the Summer Term.

If your child would like to take part, they just need to let their class teacher know and get practicing at home! Their act could involve singing, dancing, magic, comedy or anything they have a talent in and they are welcome to perform individually or in a group within their class! We can't wait to see their fantastic talents!

Year 6—Standon Bowers

We are really looking forward to our trip to the Standon Bowers Centre from 6th – 8th July. We would like to invite parents to attend a short meeting in the school hall to find out more on **Monday 23rd May**, straight after school. Many thanks.

Here is a link to the outdoor education centre at Standon Bowers for you to view prior to the meeting should you wish to:

Year 3 Artwork

Last half term in year 3 we were learning about Urban Art as part of our topic Urban Pioneers. After studying the work of many local and international street artists, we decided to recreate our own mural influenced by the work of Matt Sewell who is an artist based in Shrewsbury.

Matt's art work often depicts birds and other animals and uses bright bold colours. We had fun coming up with our own ideas and amalgamated these into a final collaborative piece which is displayed in school.

PARKING

The Community Support Officers were at school during the week looking at parking around school and in the local area. They have asked us to remind parents that **dropping children off on the zig-zag lines outside school is illegal and will incur a penalty notice. They issued 5 penalty notices on the morning they were here.** Thank you for your support with this and keeping our children safe.

Miss Giles

We would like to say good luck to Miss Giles (3G) who leaves us temporarily today to start her maternity leave. We will all miss you but it's time to put your feet up and have a rest!

SATs Breakfast

The year 6 children may come into school from Monday to Thursday next week at 8:30am to have a very light breakfast and chill out time before they start SATs. They will have toast, raisins and juice available. This will take place in the school hall. There will be a member of staff on the gate to guide the children to the correct place. Unfortunately, siblings will not be able to enter school at the same time as the other staff in school will be preparing for their lessons. Thank you.

We Love Running!

This week, all of our classes have been trying our hardest to complete as many laps as a class in 15 minutes, as we can! Here are the results this week:

1st6S

Sports Week!

We are all very excited about our upcoming Sports' Week which will be taking place from **Monday 20th June - Friday 24th June**. Please see the timetable below for the activities we have planned for the children. Please could children come to school in PE kit each day and on the Friday, they can wear any sports kit they like in exchange for £1, which we will spend in new sports equipment for Lunchtimes and PE sessions! We really hope they enjoy the activities and are looking forward to seeing you at Sports Day! At the end of Sports Day, we will be selling ice lollies and drinks and we will hold a bottle tombola. Again, all proceeds will go towards new sports equipment for the children so please bring along your change! Thank you for your support 😊
