## 'Wrockers' Weekly

'Love, Laugh and Learn'

This Half Terms Value — Truthfulness

Friday 8th July 2022

We held a full day transition on Tuesday and were delighted to welcome back our new Year 3 cohort. The children all had a fantastic day in their new classrooms with their new Teachers and Teaching Assistants. Thank you to the Infant school staff who stayed to ensure a smooth handover.

We look forward to September to when the children will be with us full time.

Year 6 SATs results were released earlier this week and are now being analysed by our senior management team. We are very pleased with how well the children conducted themselves through SATs week and it is clear that all their hard work and the support of the staff has paid off. The children's individual results will be sent home with them on Monday 18th July 2022.

Reports will be available via the DC Pro app from 15th July 2022. A letter will be sent to parents prior to this to explain how to access your child's report if you have not used the app before. We used DC Pro for reports last year and the feedback from parents was very positive as parents are able to easily access the report and can share with family.

If you have any questions, please call the school office on 01952 387880

### Whole school attendance for the week commencing 27th June is.....94.14%

We would like to thank you for your continued support in helping us to improve our attendance figures. We strive to achieve an attendance figure of 96.5% which would put in line with national and Local Authority expectations. Thank you.

### Strange Request!

We would love to place a book vending machine in school for the children to use to borrow books but unfortunately, school funds won't stretch to purchasing one. If you know of a vending machine in working order which is looking for a new home, please send the details to the school admin email address which is a3129@telford.gov.uk or give us a call on 01952 387880. Thank you!
