Year 6 Leavers 2022

It has been a fantastic week celebrating our year 6 children's time at Wrockward Wood Juniors. The children have performed two plays, had a graduation assembly and a prom. Throughout all of these, they have conducted themselves impeccably, ensuring that they have made special memories to treasure. It has been a privilege to see them grow in maturity, resilience and responsibility. We all wish them well in their futures at secondary school and beyond. Thank you year 6, you are all absolute stars and a hard act to follow!

Goodbye & Good Luck Mr Spragg!

Mr Spragg is sadly leaving us after many years of dedicated service to the school and the children. He joined the WWJS team as a newly qualified teacher 14 years ago and has been promoted over the years to Deputy Head. Mr Spragg has chosen to pursue a new career following his ambition to work with children in a pastoral role. This will give him more time to spend with his two small children at home and work in a role which is close to his heart.

We would like to thank him for all his hard work and support and we know the children and staff will remember him for his unique sense of humour, sarcasm and fun outlook! He introduced the chickens to school which they will also remember for a long time. Mr Spragg has done many 'extra' things in school like organising school fayres, attending residential trips, being the ICT lead for school and supporting vulnerable pupils. He has taught many classes over the years and has had a huge impact on many, many pupils.

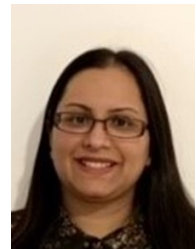

We are very sorry to see him leave and would like to wish him well in his future ventures. Thank you Mr Spragg and GOOD LUCK!!

Goodbye!

We are also sadly saying goodbye this week to Mrs Taylor who is taking up a position at another school, Mrs Butters who is leaving to pursue a teaching career, Mrs Gill who is moving on to new ventures and Mrs Mackay who is also joining another school. We would like to thank them all very much and wish them well with their new positions. Thank you for all your hard work and commitment ladies, you will be missed a great deal. We know you will all succeed in whatever the new jobs throw at you! Thank you for being very valuable members of our school team.

We will miss you all!

Leavers' Performance

The year 6's did two fantastic performances this week of 'School Daze' and there were some amazing soloists who overcame nerves to sing beautifully in front of the parents. We would like to say a very big thank you to the children who stepped into roles on Tuesday evening at the very last moment due to other children being unavailable. This is incredibly difficult when you have not learnt the lines and you are performing in front of everyone.

We would also like to thank the year 6 team for all their hard work and continued dedication to enable their children to succeed. You are all amazing!

Year 6 Leavers' Prom

The children had a fantastic time at the prom last night! Year 6 parents will receive an email over the next few days which will provide you with a link, a user name and a password to access a separate secure area on our school website where all the photos from this week will be uploaded. Have a lovely break everyone!

New Equipment!

A huge thank you to everyone who contributed to the sports week non-uniform day and bought drinks and snacks after sports day! The proceeds have been spent on some lovely new playtime equipment including tennis equipment, basketballs, dodgeballs and new basketball hoops which we're sure the children will enjoy using!

Safeguarding

Telford and Wrekin have issued guidance for parents in relation to child sexual exploitation. This information leaflet is accessible to all our parents in our safeguarding section of our webpage.

If you are ever worried about the safety of any child, please contact Family Connect:

A Huge Thank You!

As a staff, we would all like to say a very big thank you to our wonderful kitchen team. The team work incredibly hard behind the scenes every day to make sure the children and staff receive delicious healthy meals. The kitchen has been a particularly difficult place to work recently with the very hot weather and Ms Childs, Mrs Lewandowski and Mrs Hiller have ploughed on despite the heat. Thank you ladies, you are amazing! Have a lovely restful summer break.

Out of School Superstars!

We are very aware that many of our children participate in activities and clubs out of school and at home. We would like to celebrate their achievements on our weekly newsletter. If your child has participated competitively in a sporting activity, accomplished personal achievements or participated in a fundraising activity, please email us on a3129@telford.gov.uk a photograph and a brief paragraph about what they have done. We will place it in the newsletter as soon as we can. It is always lovely to share the children's accomplishments and celebrate their success!

Pastoral

As July brings to a close, I just want to thank you for all your support working in partnership with school to help keep our pupils and staff safe. For many families the summer holidays can be difficult when you may need advice, guidance and support, and we appreciate that many of our families may need information on different services available during this period. Please head over to our website where there is lots of relevant signposting and information that may support you while school is closed.
