### Ludlow Castle Trip Year 4

On Wednesday year 4 got to go on an amazing trip to Ludlow Castle. A lady, who was dressed in a medieval costume showed us around the castle. We saw the grand entrance, the dining room, kitchens and even the chapel.

My favourite part of the day was going up all the stairs to the top of the castle. The stairs were so steep but we are conquered our fears and made it to the top. After our tour, we got to observe the castle and sketch it. It was so fun and a great way to start our History topic, 1066!

### Dates for your Diary

**Monday 19th September**

School closed for the funeral of HM Queen Elizabeth II

**Wednesday 21st September**

E Safety Parent Workshop with Paul Gerrie 2:40—3:10

**Monday 26th September**

TT Rockstars Launch Day—Dress up as a rockstar for £1

**Friday 21st October**

Break up

**Wednesday 2nd November**

Katie's Kitchen Experience in school for

### Parents Open Door

It was wonderful to invite parents into school on Monday and Tuesday. We had lots of positive feedback and the children really enjoyed sharing their hard work. We hope that over the forthcoming year we can provide many more opportunities for parents to become more involved in school.

# Year 3's Ancient Greek Memorable Experience!

Athens (3B) and Sparta (3W) competed against each other in different events such as discus, javelin and horse and carriage races! There was great teamwork and lots of enthusiasm all round! We then had an award ceremony for the Olympic champions. To end our special day, we celebrated with some Greek dancing and had an authentic Greek banquet, where we tried dried figs, sesame seed bread sticks, mastic sweet jelly and baclava...delicious!

## Our Christian School Values

This half term's Christian Value focus is **generosity**, being kind and unselfish, especially with our time. Over the course of the half term, we will explore this value further through our daily acts of worship, sharing both religious and non-religious stories and considering how **generosity** is shown by others as well as ourselves.

As part of our long-term commitment to embedding our Christian Values, each child has a Values Passport. Over their time at Wrockwardine Wood CE Junior School, children are given the opportunity to achieve a values sticker for each of the 12 values.

This half term, a values sticker for demonstrating **generosity** can be earned through an exceptional achievement or action inside or outside of school. Here are some suggestions of how your child might earn a **generosity** sticker outside of school:

- helping to prepare a family meal once a week
- spending regular time with a family member or family friend who may be lonely
- donating some of your clothes or possessions to charity
- fundraising for a charity of your choice

If you feel your child has earned their **generosity** sticker, please complete the form available on our website ([values-passport-slip.pdf \(wrockwardinewoodjunior.org.uk\)](https://www.wrockwardinewoodjunior.org.uk)), and return it to your child's class teacher for approval. If they agree, your child will be awarded the **generosity** sticker for their passport.

## Ancient Egyptian Workshop

This morning, we had an amazing workshop about the Egyptians. We looked at all different artefacts and had to dress up like Egyptians. We looked at some information on Pharaohs and what happened to them when they died. The really funny part was when someone had to pretend to be mummified and we pretended to take out their lungs, intestines and liver to be put into canopic jars. It was a lot of fun!!

5/6P

### ParentPay

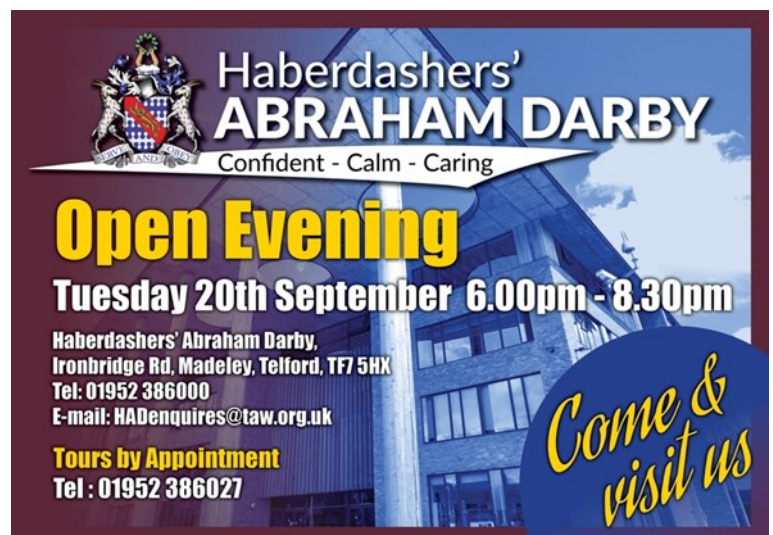

Reminder that all trips, clubs, meals and uniform are now paid for via ParentPay. Please see the school office if you have not yet activated your account. Donations for the TT Rockstars day in school on Monday 26th September 2022 should be paid in cash. Donations will be collected in the classrooms.

### Attendance:

I am delighted to tell you that last week's attendance was an amazing 98%. Regular attendance helps us build excellent relationships with your children, which we know is so important when starting the new school year. Thank you for supporting us to achieve this.

Every day

### Parent Picnic and Workshop Year 3

On Wednesday 14th September, year 3 had a fantastic, energetic wellbeing and fitness session with the people from Energize. We were so excited that our mums, dads and grandparents came to join in with us! We took part in different fitness activities with our grown ups, like football, catch and clap, tennis and step jump. After so much energetic exercise, we were all ready for a delicious picnic lunch! We all had a great time and we think our worn out mums, dads and grandparents did too!
