Thursday 29th September RE Debate at St George's Primary School

I am SO PROUD of these fantastic children, who took part in an RE Debate at St George's Primary School, on Thursday 29th September. In front of a large crowd of local schools, this team of superstars each presented their own arguments for why honesty is not always the best policy. By speaking from the heart and with such passion, their arguments went down a storm, resulting in them winning the vote by an overwhelming majority!

It was a pleasure to take you all so thank you and well done 😊

Mrs Brindley-Jones

Polite reminder

Please do not park or drop off directly outside the school gates. This can cause congestion and is unsafe. The road is frequently patrolled by a traffic warden who has issued fines to a few of our parents previously.

Attendance

Our attendance for last week was 95.57% only just scraping in above national average.

Well done to **3W** (98.91%) and **6J** (97.47%) who have earned whole class Dojo points for having the highest attendance in their phases.

Green Tree Award

We are pleased to announce that our children achieved the Platinum Green Tree Award during the summer term last year. All the evidence was compiled and assessed over the summer and we have now received our platinum plaque which hangs proudly in our front entrance. We hope that the activities completed to achieve this award will help our child nurture and respect our green spaces and wider environment.

Dear Parent/Carer,

A happy childhood full of new and exciting experiences is such an important part of growing up.

Like you, we want children in our borough to have lots of opportunity to learn new things. We're delighted to be the first council in the UK, working closely with our schools and a range of local organisations, to launch **10 by 10 - ten things for your child to try by their 10th birthday.**

From learning to swim, to stepping back in time at a local museum, 10 by 10 is a fantastic package of inclusive activities across our brilliant borough that will open your child's eyes to the world, build their confidence and let them have fun!

How it works:

Simply create your own 10 by 10 account by logging onto **10by10.telford.gov.uk** and track your child's adventures. By creating an account, you will also receive regular updates, news and offers from the scheme.

New opportunities are being added all the time, including accessible activities for children with Special Educational Needs and Disabilities.

Children in reception classes across the borough have also been given a 10 by 10 adventure card which can be used to encourage them to get involved.

We hope you will enjoy taking part as a family!

Councillor Shaun Davies (Labour)

Leader, Telford & Wrekin Council

Councillor Shirley Reynolds (Labour)

Cabinet Member for Children, young people and families
