Macmillan Cake Sale

We were overwhelmed with the amount of cake donations we received on Friday for our Macmillan cake sale. We have raised over **£880** for a fantastic cause which is close to many people's hearts. It was so lovely to see so many parents, siblings and grandparents in school sharing a cake with their children and chatting about the day. Thank you so much for your support. Photos on the next page.

Parent Shadowing

We have relaunched parent shadowing this week across the school giving parents the opportunity to share their children's lesson with them gaining an insight into how and what they are taught. Feedback from parents has been extremely positive and we are looking forward to offering more opportunities early next year for parents to shadow their children in other curriculum areas. We also have parent workshops for English and maths coming up next half term.

Achievement Award	TA Award	Star of the Week		Headteacher Award
Lucas S	Vinnie D	Elsie L	3B	George C
Finley O		Logan C	3W	
Eliza D		Louisa B	3/4L	
Jaxon C		Vinnie L	4B	
Jacob L		Ameliah-Fayth H	4C	
Bethany C				

Attendance:

Once again, thank you all for your effort with ensuring your child attends school. The figure this week stands at 94.75% which is a drop from the previous week.

Our weekly in school attendance league is still as competitive with **4C (99.23%)** ahead of **3B (99.09%)**

In upper school **5/6P** are now leading with **97.04%**

Well done everyone, not long now until half term. Let's end on 100%!!!

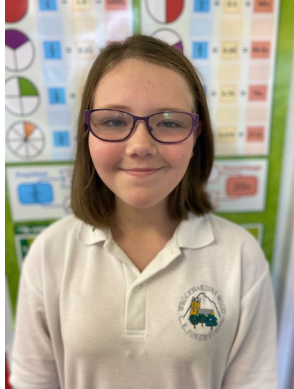

Parent Shadowing Feedback

We have really enjoyed reading through your feedback forms and have put plans in place to meet some of your requests, such as future English parent shadowing. Many parents also asked how they can further support their children at home. There is lots of information on our school website including class pages outlining what your children will be learning, overview maps of topics taught though the year in the curriculum section. Our calculation policy in our maths section explains what mathematical strategies and methods of calculation are used at each year group. This will help you to know which methods to use with your children when supporting them at home.

Generosity value

This wonderful young lady has achieved her generosity award in her Christian Value Passport because of her amazing act of donating 13 inches of her hair to the Little Princess Trust. Well done A, we're really proud of you!

Interactive indoor and outdoor crafts and worship for families of all shapes and sizes. Everyone Welcome

Sporting Superstars

EP 3/4L plays rugby for Newport (Salop) RUFC, he recently competed in a rugby festival playing teams from across the Midlands and mid-Wales. He scored 2 tries, organised his teammates and showed great sportsmanship to care for an injured player, and so he was named Under 8s Player of the Week. Well done, we are very proud of you!

Fishing Fanatic

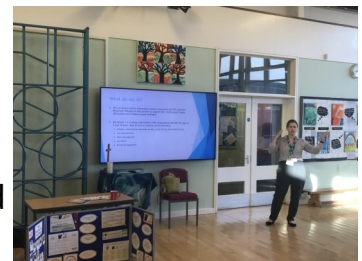

CM in 5H is a fishing fanatic! On the weekend, C took part in a fishing competition for his age group (ages 6-9) where he was able to catch a Gudgeon! In this competition, C came 21st out of 87 contestants, meaning he won several medals. As well as this, he came 5th in his team, and so won a trophy too! Due to his success in this tournament, C has been chosen to compete for England on the 22nd October! Well done C, we are proud of you and you should be super proud too!

SEND Coffee Morning

Thank you to everyone that came along to our SEND Coffee Morning this week. It was lovely to see so many of you. We had a variety of speakers from PODS, BEAM, Telford Autism Hub and our Mental Health Practitioner.

If there is something different you would like to see at our Spring Coffee Morning, including the time of day it is held, please follow the QR Code.

Year 3 Experience Harvest!

We had a lovely time on Thursday 12th October because we visited Holy Trinity Church and learnt all about harvest. We learnt that we should be humble and be thankful for the food that we are able to eat. Also we learnt that we must be patient when we plant new seeds. We really enjoyed planting our own seed and making a friendship bracelet that reminds us to be respectful of animals that give us food.

Fantastic Footballers

On Tuesday, Mrs Slow and the Year 5/6 boys football team travelled to Newport Junior School for a match in the next round of the Telford Schools Competition. They played fantastically with some excellent defending from Patryk, Kayden and Rohan to keep the score 0-0 until just before half time when we scored our first goal with an outstanding shot from Casper. Newport Juniors very quickly equalized and after a quick break we were constantly on the attack with some skilful runs from Bayley, Charlie, Bradley, Edward and Zach. After a

bout of outstanding saves from Ryan, a clever through ball allowed Kailan to use his pace to outsmart the Newport Junior defence and slot the ball in the back of the net, scoring the winning goal! This was a great result in a very close game and we are very proud of you all!

Harvest

We will be celebrating harvest in church next Thursday at 10am with a service led by our year 6 children. If you would like to make a donation to this service could you please send a tin or packet of food into school next week with your child. We will then transport them to church to be distributed into the community later. Thank you.

Traffic

We had traffic enforcement officers outside school this morning who sadly caught a few parents parking illegally. They have asked me to remind you that if the police see you parking or dropping off by the pedestrian crossing or on the white zig zag lines it is 3 points on your licence and a £100 fine. If the traffic enforcement officer sees you it's a £70 fine. Our priority is the safety of all of our children and parking / dropping off on these lines is causing a danger to them.
