Harvest Festival

It was an absolute delight to hear the children singing in church this morning. The year 6 children and our spiritual ambassadors did an incredible job sharing lots of facts about harvest and world wide poverty. We all felt very fortunate and quite humbled by the end of the service. I would like to thank parents for their understanding over attendance and the lack of space in church.

Today, our wonderful school went to Holy Trinity Church to do our amazing harvest service. The year 6s and spiritual ambassadors told us some fascinating harvest facts. We sang our favourite harvest songs to impress all the parents who joined us. Everyone sang incredibly! Year 6 talked about how harvest is a special time of year and all about giving and helping others. At the end Mrs Cartwright used the harvest letters to spell our STAR and made us feel very proud of ourselves. Being in church with the entire school was an incredible scene.

Well done everyone, a fantastic start to the year with so many exciting events taking place in and out of school. We wish you all an amazing half term with your families.

You tube video / song warning

Some of our younger children have been singing a song on the playground about their "no no square". We have found this song on **You Tube** and have listened to the lyrics. It's inappropriate for children and has an adult theme. Could we please ask that if you hear your children singing this song you ask them not to and remind them that the content is inappropriate for their age.

Amazing Athletes!

On Tuesday and Thursday this week, our school has taken part in an athletics competition at Telford College. The children took part in running races, jumping and throwing competitions and all tried their very best. They were a real credit to our school and we are very proud of all of them! Well done everyone!

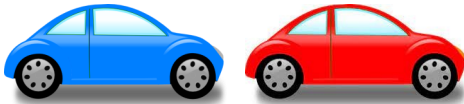

Sporting Superstar

Congratulations to this young lady, who we are super proud of! She dances with Synergy Dance Troupe and recently competed achieving three medals pictured right. One medal was received for 1st place and the other two were received for taking part in the competition. Well done!!

Traffic outside of school

It has been brought to our attention that some of the cars that are in the laybys outside during drop off times are leaving doors open and blocking the pavement. Could we please ask that anyone dropping their children off by car be considerate to the pedestrians and that they are also mindful as there are lots of children crossing the road and walking on the pavements. Thank you.

Mrs Leck's Promotion to Deputy Headteacher

I am delighted to inform you that Mrs Leck will be taking up the post of Deputy Headteacher at our school from January 2023. This role means that she will no longer be class based and will take on responsibilities for overseeing teaching and learning throughout the whole school alongside many other roles. In January we will be welcoming back Miss Giles from her maternity leave. Miss Giles will become the new class teacher for the 3 / 4. Miss Giles previously taught year 3 so some of the year 4 children in the class will already know her. Miss Giles will be coming into school prior to January to get to know the children and ensure a smooth transition.

ATTENDANCE — A HUGE THANK YOU

We finish this half term on 96.11% - meaning that we are above national average 😊. And the overall winning class in our attendance league is

3B with an amazing 98%

We are also excited to announce that we have sent out over 140 letters of congratulations to pupils today for excellent attendance, that's over half our school. All children that have received a letter will be entered into a prize draw for an amazing art case . The draw will take place at the end of term and because we congratulate attendance every half term, they could have double the chance of winning.
