### Parent Involvement

Following the pandemic and the lifting of restrictions one of our key priorities this academic year is to develop opportunities for parents to gain a deeper understanding of their child's experience at school. Throughout the year we will be offering opportunities for parents to attend the following:

- \* face to face parents' evenings,
- \* classroom open sessions,
- \* workshops outlining the curriculum for English and maths and how you can further support your child at home
- \* parent shadowing giving you the opportunity to sit in with your child during a lesson.

Please see the table below for parent shadowing and subject workshop dates. Could you please indicate your interest on the reply slip below. If you cannot attend the workshops but would like a copy of the presentation emailing to you please also provide your email address. Please send your reply back by.....

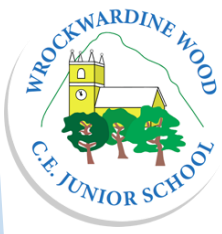

To make these sessions run smoothly, we ask that you arrive at the start of the session and that younger siblings do not attend.
