Anti-Bullying Week!

This week, we have been supporting the Anti-Bullying Alliance message of 'reaching out' to put an end to bullying! We loved wearing our odd socks on Monday, to remind us all that we are all different and all equal, and that differences must be celebrated! Over the

week, all classes have completed different activities in support of this campaign. In year 3, we created persuasive posters to encourage everyone to be an active bystander because at WWJS, we are bully busters and if we see bullying take place, we don't get involved but tell someone about it immediately because bullying of any kind is NOT OKAY!

Be Bright, Be Seen!

On Monday 14th November, we had a visit from Sian from the Telford and Wrekin Road Safety Team. She talked to us about how to be safe when we are walking in the dark. Then we completed an experiment and tested how effective different fluorescent colours were. We found out that orange and yellow were the most noticeable! To end our workshop, Sian gave us a pair of fantastic fluorescent gloves that we can wear to keep us bright and seen during the dark winter afternoons! We had a great time and we love our groovy gloves 😊

Bikeability

Bikeability by K Oliver, R Price and A Adu

Our instructors Colin and Ian were awesome, firstly, they taught us how to look after our bikes by doing specific safety checks and how to travel safely on our bikes, this was done on the playground. After that, they took us out onto the roads, we were taught how to: safely pass a car by ensuring we have a clear view, making sure we have a car doors length of space and finally giving the correct signals so other road users know where we are travelling to. This course was so much fun we would give it 5/5
