Autumn 2022

Hello and welcome to our Autumn newsletter. For those of you new to school, I am Alison Williams, the SENDCo. Your children have made a flying start to their year—you'll be amazed by their progress when their provision maps come home at the end of the Autumn Term.

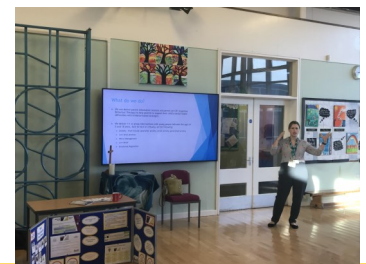

If you have any questions about these, or anything else SEND, please don't hesitate to get in touch on the contact details below. I have also set up a Dojo group, so if you don't have me as a contact on there, please let me know if you would like to.

SEND Coffee Morning

Thank you to everyone that came along to our SEND Coffee Morning on Tuesday October 11th. It was lovely to see so many of you. We had a variety of speakers from PODS, BEAM, Telford Autism Hub and our Mental Health Practitioner. If there is something different you would like to see at our Spring Coffee Morning, including the time of day it is held, please follow the QR Code.

Training we have received this Autumn Term:

Whole School ASD Training

Every member of staff was trained on ASD and how we can make adaptations to make school more ASD friendly on the PD Day in September.

Parent Support Groups

We have run a number of parental workshops this half term, focusing on children's worries, nerves and anxieties. If you feel you would benefit from such a workshop, then please get in touch.

Training coming up in the Spring Term

Emotion Coaching (led by Educational Psychologist)

TA and Teacher training on how to use emotion coaching to help our children recognise, label and react to their emotions appropriately.
