

# MUSIC

2021 - 2022

Arrange/provide whole-school training for all staff to improve confidence and quality of teaching, thus, raising children's attainment.

Ensure that all children are achieving and working to their potential within music throughout school.

Conduct lesson observations to evaluate pitch and standards in the teaching of music.

Update the music policy to include an intent, implementation and impact statement.

Develop understanding of leading music and how to lead it effectively - work with HT to achieve this.

Continue to carry out thorough musical instrument audits to ensure availability of a variety of instruments.

Effectively implement and review Cornerstones document throughout school.

Develop a monitoring system to ensure progression of knowledge and skills is evident in each year group.

Liaise with outside music agencies to come in and teach lessons to give extra opportunities to children with an interest / talent.

Conduct pupil voice interviews to develop a pupil perspective of the teaching of music.
