What's new this week

Reminder that if your child or anyone in your family has symptoms of COVID -19 you must book them in for a **PCR test at a testing site**. A lateral flow 30 minute test is **not a suitable alternative** and is only for people who are asymptomatic.

Please can we also remind you that if another household member has symptoms, you must not send your children to school and the whole household should isolate.

The main symptoms of COVID – 19 are as follows and a PCR test must be taken :

- A high temperature
- A continuous cough
- A lost of sense of taste or smell

A PCR test should also be taken if you or your child are displaying any of these other possible symptoms of COVID –19:

- Shortness of breath
- Loss of appetite
- Sore throat
- Runny nose
- Sneezing
- Headache
- Aches and Pains
- Fatigue or feeling tired for no reason
- Diarrhoea
- Nausea
- Vomiting
- Tummy Ache (especially in children)

Thank you for your continued support with this.

Reading & Maths Assemblies

Starting on Thursday 13th May, we will be celebrating achievements in Reading and Maths throughout school in assemblies on alternating weeks. In the reading assemblies, any sort of Reading achievement will be celebrated, which will be decided by their class teacher. In Maths assemblies, we will celebrate work done on TT Rockstars, this could be: children who have shown the most improvement or children who have answered the most questions.

We are really excited to start these assemblies and look forward to celebrating their successes!

Music Heroes

It has been wonderful this week to hear all of our budding musicians improving their

skills! The music tutors are thoroughly enjoying teaching your children and have commented on several occasions on what polite and enthusiastic pupils we have at this school. They are a real credit to you!
