'Love, Laugh and Learn'

**Autumn 2023**

*Hello and welcome to our first newsletter of the 2023-2024 academic year. Welcome to all of our new parents in Year 3 and those that have joined us throughout the school.*

*We now have 255 children in our school, 45 of who are on the SEND Register, making it 18% of our school. The National Average is 13%.*

*By the end of this term you will receive an evaluated provision map to see how hard your children and the staff working with them, have worked towards their individualised targets.*

*If you have any questions about these, or anything else SEND, please don't hesitate to get in touch on the contact details below. I have also set up a Dojo group, so if you don't have me as a contact on there, please let me know if you would like to and I can add you on.*

## Coffee Morning

Thank you so much for all the parents that came along to our Coffee Morning in October. The children loved showing you all their fabulous work so far; I loved to see their pride! Sarah Rushton (our mental health practitioner) shared some information on Mental Health, worries and sleep. BEAM also came along to talk about their drop in service. If you couldn't make it, BEAM left some leaflets with us so just get in touch if you would like one.

We look forward to hosting another session in the Spring Term on **Tuesday 12th March** in the afternoon. Thank you all for the feedback you provided last time; we'll make sure we get some of those other groups to come along and present next time. It was lovely to hear how supported some of you felt just talking to other parents in similar situations.

## Parents' Evening

*Thank you to everyone that came along to the additional Parents' Evening appointment this term. Keep an eye out for the Spring Parents' Evening letters with this box at the bottom and tick it if you would like an appointment with me too. It could be an opportunity to discuss your child's Provision Map or any concerns you may have.*

If your child is on the **SEND Register** and you would like an additional slot with the SENDCO, please tick here

## Training

*In Autumn 2023, our staff have been trained on:*

*Restorative Conversations, Trauma training and re-capped our knowledge on Emotion Coaching, Precision Reading and Direct Instruction.*

See below for FREE Online BEAM Workshops. These are advertised on their website or have been sent to you if you have signed up to their mailing list. If you would like a copy of the links, email me or message me on Class Dojo and I can send them out to you.

It has been lovely to see so many parents attending the coffee mornings, parent workshops and parent shadowing. Please let me know if there is anything else you would like to see in school that we are not currently offering.

Have a lovely Christmas break !
