Red Nose Day

On Friday the whole school went crazy with their hair in support of Red Nose Day. Red Nose day is a charity that supports people facing poverty and injustice in the UK and around the world. We saw some amazing hair-styles and wonderful colours! My personal favourite was the pot noodle pot, curly hair and a fork!

RED NOSE DAY

Thank you for all of your support and creative hair styles we raise over £145.00 for a fantastic charity.

Telford sings!

Our amazing school choir were lucky enough to be invited to take part in Telford Sings, Music Share concert. Upon our arrival, the choirs took part in a warm up rehearsal ready to perform later to a sold out audience. I loved taking our choir to this event and seeing how much they thrived. Their singing and dancing blew the adults and audience away! - Miss Byrne

You were all fantastic super stars - well done!

Standon Bowers

Year 4 have had a fantastic 3 days at Standon Bowers outdoor centre. On the first afternoon, we unpacked our cases in the dormitories and made our own beds! After that we did pond dipping and found lots of living creatures. Our favourites were the newts.

We then learnt how to use compasses to find key points around the centre and pick up clues. We're now great at navigating! Lots of us were a little nervous about caving, but we overcame our fears and thoroughly enjoyed it. We've also been on the low ropes, worked as a team to follow a trail whilst blindfolded, made bridges, been axe throwing and improved our archery skills! We've had an amazing time!

Bethany - I loved pond dipping because I caught newts. They were really cute.

Arthur— caving was my favourite thing! I was worried at first, but it was great!

Alfie - the low ropes were quite high. I managed to do all of it and it was great!

Darcy- I was worried about caving but I faced my fears and was so brave. It was brilliant!

Spelling Bee

On Monday 6 children from year 3 and 4 took part in a Spelling Bee competition at St George's primary School. There were 4 other schools competing. Each child had to go out to the front repeat the word given to them, spell it and then say the word again. All of our children got through round 1 successfully! It was a little bit scary at first but the children settled into it really well and made it through to round 2. As they went through each round the words got progressively more difficult at the end they were spelling some really tricky words like accommodate. OC from year 4 went on to win the Spelling Bee. He was an incredible speller and we are all really proud of him! Well done the Spelling Bee team!

Active Families!

Here is an idea for a quick, active and fun activity you could carry out with your family this weekend! We hope you enjoy!

Musical Statues

What you need: some music, someone to stop and start the music

How to Play:

- When the music starts players start dancing. Dance however you like - hop, skip, twirl, or anything else that makes you happy! Let the music inspire your moves.
- When the music everyone must freeze like a statue until the music starts again.
- Keep dancing and freezing whenever the music stops.

Playing with others? Every time someone moves when the music stops, they become the helper to stop the music next time. Who can be the last one dancing?

Love, Laugh, Learn

The Wrockwardine Wood CE Junior School "Living life in all its fullness" challenge.

This week's challenge is to: Create a picture collage using photos, pictures, scraps of paper and other interesting arty objects.

We would love to see your photos please email them to: a3129@telford.gov.uk DoJo to your class teacher.

Year 3 and 4 Football

Today, our Year 3/4 Football Team went to Telford College with Mrs Landa and Mrs Turner to take part in the Telford Schools' Tournament. We were so proud of their behaviour and team work and they played brilliantly! Well done all of you!

Forest School

At Forest School this week, Year 3 attempted to make shelters. They were given one tarpaulin and three ropes in small teams. Most children managed to create a shelter big enough for their team to enjoy some hot squash. The adults were very impressed with the team-work! Well done Year 3.

Attendance

Attendance for last week was 95.92% Not bad at all considering the winter vomiting bug is circulating! A gentle reminder, our policy for sickness and diarrhoea is to stay off school for 48 hours after the last bout of symptoms. To help stop the spread wash your hands frequently with soap and water (I think we are all used to this now). Alcohol hand gel does not kill the winter vomiting virus.

Our weekly in school attendance league is still as competitive with 3B(97.41%) ahead of 3LB (96.9%) In upper school 5B are leading for the 4th week running, with 98.4% ahead of 6S on 97.5%. Well done everyone, not long now until the end of term. Let's end on 100%!!!

Where's Nala?

Each week we will be hiding a picture of Nala on our newsletter for you and your children to find. Ask your child to put the location of Nala on a note with their name and class and place it in the box by the office. This will then be entered into a weekly draw to win a Freddo. Good luck!

Easter Eggstravaganza Competition!

Reminder that we are having another 'Eggstravaganza' competition which will be judged during the morning on **Wednesday 20th March**. The competition is open to every child and there are Easter egg prizes for the winners.

In order to enter, your child will need to transform the simple egg or eggs (Polystyrene is fine, the eggs don't have to be hard-boiled) into something spectacular- this is where their imagination comes into play. They can use paint, felt tips, glue, wool, material etc to create a likeness of a famous person or object. **Their completed work has to be given a name with the word egg somewhere in itfor example Little Regg Riding Hood, Leggo or Finding Nemegg.**

There is no limit to the number of eggs that they can use so if they want to create a pop group they can! Shoe boxes are ideal for creating a backdrop for the egg/s, such as a football match or pop concert. The competition will be split into the 9 classes with a winner for each class and an overall winner.

We hope that everyone will enter. Finished models, complete with the title name can be brought into **class** on **Wednesday 20th March**.

Please do not bring into school prior to this as we cannot guarantee that models won't be accidentally damaged. Please also do not bring into school during the school day as it is difficult to store the models without interrupting the classes during lesson time and we cannot guarantee they will be included in the competition as this is being judged during the morning.

Important: please place your child's name on the underside so that it's not immediately visible. This ensures that all the children are surprised when the winners are announced.
