'When something goes wrong in your life, it doesn't finish you, and you should become braver, knowing that you've got to go for things in life and don't regret because you didn't try to be as good as you might be' - Gareth Southgate

I think the above quote optimises our children, parents and staff's resilience and determination to succeed through what has been an unprecedented and difficult year. We have all had to make sacrifices and learn new skills in a very small space of time but I would like to think that all of this has enabled us to provide our children with a robust curriculum offer. Everyone deserves a well-earned break, time to rest and recuperate ready for a fresh start in September. The current guidance means that we will be able to return to normal opening and closing times with no bubbles from September. We are awaiting final guidance and risk assessments and once we have these, we will share them with you. As a reminder, the gates will open at 8:45am for all children to be in class by 8:55am when registration will close. At the end of the day, the gates will be opened at 3:10pm for the children to all leave at 3:20pm. Further clarification will follow in September.

Thank you for your continued support and have a lovely summer.

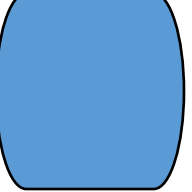

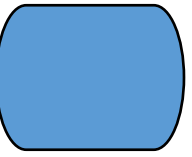

Tracey Cartwright

Dates for your Diary

Break up - Tues
20th July at
usual bubble
home time

Wed 21st July
PD Day—staff
only in school

Monday 6th
Sept—Autumn
term begins

Reports

We are pleased with the success of our new environmentally friendly report system. We have received positive feedback from parents and we hope to share further information regarding your children's progress through this App in the future. If you did not receive the letter with your access code on it, have had difficulties accessing your reports or would like a paper copy, please contact the school office on 01952 387880 or a3129@telford.gov.uk

Year 6

A special separate newsletter will be produced on Tuesday next week with all the year 6 end of term celebrations.

Headteacher's Award: Mrs Cowan and Mr Kirkpatrick

Wonderful News!

We are delighted to inform you that Mrs Platt has given birth to a healthy baby boy who she and her husband have named Bertie. We would like to offer Mr and Mrs Platt huge congratulations and wish them every happiness with their precious son. Mum and baby are both doing well and are now at home. We look forward to meeting Bertie as soon as we can!

Ocean Fish Trail

Our school is taking part in the Telford & Wrekin Council and the British Ironwork Centre (BIC) schools' ocean trail. The school's ocean trail project will feature 30 fish sculptures which have been made at the BIC and have been primed and readied to be painted and decorated by school pupils in Telford and Wrekin. These will then be displayed in Telford Town Park. Each participating school will paint and decorate their own fish using their chosen design. Once the trail is displayed, look out for our fish (pictured above) which has been painted by Ms Lewis and the children in 4B.

Crochet Flowers

We would like to say a huge thank you to the wonderful congregation of Holy Trinity Church Wrockwardine Wood and Holy Trinity Oakengates (East Telford Benefice) for their beautiful knitted/crocheted flowers. Thank you very much, they look fantastic on our school flower wall.

We would also like to thank Faith who is a year 6 pupil at another school for her kind donation of these beautiful crocheted flowers which she made herself.

Thank you to you all!

Last week 4G took part in a workshop to share and prioritise their wishes for possible sustainability actions that they would like Telford and Wrekin Council to take moving forwards. We shared ideas about what we knew already about climate change, protecting our world and any more eco ideas.

We discussed the six primary areas that Telford and Wrekin are proposing to take sustainability actions and what they involved: trees and biodiversity, learning and sharing, sustainable transport, renewable energy, food and farming, places where we work. Then, we chose which ones were most important to us as a school.

Our results have been sent into Telford and Wrekin Council and we are in the process of creating a word cloud of the children's sustainability comments to display within school to help decide future whole school eco actions.

Class 4G

What do we know about climate change (protecting the planet)?

- When you drop a plastic bag in the ocean, animals can eat it and die or get trapped in it.
- Cutting trees down means that animals don't have homes anymore.
- Oil from ships can kill ocean birds as it gets stuck in their wings.
- When animals die from human's pollution it breaks down the food chain.
- Always recycle plastic.
- Take all your litter home.
- Only buy what you need to buy.

New Sports Equipment

Following sports week we have been able to purchase some new sports equipment which will be used by all year groups.

'Love, Laugh and Learn'

Friday 16th July 2021

Mr Urey's Kindness Award

The very well deserved winner of Mr Urey's Kindness Award this half-term is Ryan!

You are always extremely polite, very helpful to your peers and teachers alike and you brighten the room with your smile. Well done, you thoroughly deserve this award!

Thank you once again to Norma Urey for her kindness in donating a voucher for a free child's meal at Urey's Street Food 😊

Whole School Dogs Trust Workshops

This week each class participated in a Workshop lead by the Dogs Trust. These aim to help young people learn about the responsibilities involved in dog ownership and the importance of safety around dogs. The dogs trust believe that they can reduce the number of dogs that are mistreated and/or abandoned through this initiative.

Summer Reading Challenge

Extreme reading	In the garden	At a museum or art gallery
In a shop	At the park	With an animal
Now, it's your turn! Try and read in the most extreme places!		

Read a book from an author that you have never read before. Make sure you give other books a go! You might find something you love!

Telford & Wrekin LIBRARIES
Join the local library and take out a book that you have never read.

Make a reading den and enjoy your favourite book in there.

Follow a set of instructions and make something tasty with your family.

Wild World Heroes Invitation

Who would you like to go to the library with? Draw a picture of them below and colour it in. Cut out your invitation and share it with them.
