

School Improvement Priorities 2025/26

Modern Foreign

Languages: Kerry Slow

Modern Foreign Languages at WWJS!

Ensure GDS pupils are provided with good opportunities to develop their use of language through holding a GDS French club for pupils to teach younger year groups and organising for GDS pupils to visit Wrockwardine Wood Infant School to teach year 2 pupils French.

Continue to liaise with local secondary schools about transition and request sample teaching sessions (maintaining our link with Adams Grammar School/TPS) for our year 6 children.

Ensure the teaching and learning of French is of a high standard through a cycle of book scrutinies, lesson observations and pupil interviews.

Provide CPD for staff who require support and ensure MFL subject leaders network meetings are attended, gaining expertise from other schools.

Ensure pupils are retaining knowledge of French vocabulary through Forget-Me-Not French sessions.
