'Love, Laugh and Learn'

Friday 10th September 2021

It has been an absolute pleasure to welcome all of the children back to school and be able to have my first face to face assembly with them. The children have settled in incredibly well, taking all of the new routines and procedures in their stride. By Tuesday morning at 9:00 it was like we had never been away and all of the children were in class, engaged in their learning. Over the next few weeks, we will be reviewing the routines and procedures we have put in place to keep all of our children and staff safe and amending them accordingly. We will keep you up to date with any changes as and when we make them. We appreciate your support in this and hope you appreciate the need to keep in line with government and local guidance and case numbers.

I am really looking forward to the year ahead and supporting your children in their education and development. Hopefully, COVID, permitting this academic year will allow us to see a return to normality and the opportunity to reintroduce all of the things like school trips that enable us to offer a wide and stimulating curriculum for your children.

PE Kit

Children coming into school in PE kits has continued to be a great success and saves the teaching time enabling them to give the children more PE time. Could we please ask that children wear the correct PE kit and a school cardigan or jumper to ensure consistency and smartness. All of our staff now have school PE kits too.

Stars of the week

Well done everyone. You are all amazing!

Headteacher's Award:

Jack S
Alexander G

Well done to all the children and staff you all deserve a Headteacher's award this week for a tremendously good start to our new academic year.

Uniform

If you would like to purchase uniform, please collect an order form from Reception or download one from our website. This should be sent to school in a marked envelope with the payment. The uniform will be sent home with your child. If you would like to call into the office in person and purchase uniform, it can be done during the following days/times:

**Tuesdays, Wednesdays and Thursdays
10am-3pm**

School Dinners

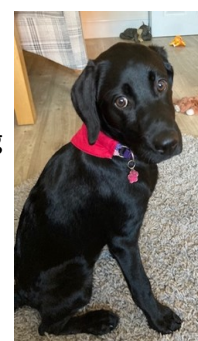

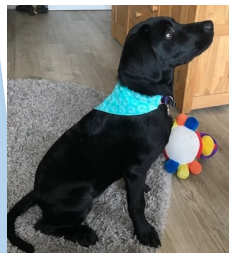

A hot school meal (or a school prepared packed lunch) is available every day at a cost of £2.40 per meal. Please make sure the meal is paid for in advance. Any dinner money sent in to school **MUST** be in a sealed envelope marked with your child's name, what the money is for and the amount of money enclosed. We regret that we are unable to chase lost money if this is not adhered to.

Reminder:

Please do not use the St Luke's drive as a through-fare. Thank you for your co-operation with this.

Nala News

Nala visited all of the children in my welcome back assembly this week. She was perfectly behaved and calmly showed the children how she sits, lies and waits. All of the children were told about her bandanas that she will be wearing. Red meaning she is in training and has to be left alone to concentrate on her learning and green which means that, with an adults permission, she can be stroked and talked to. The children are looking forward to seeing more of Nala, working with her and writing in her adventure diary. If you have any queries or concerns regarding our school dog please do not hesitate to contact me via the school office.

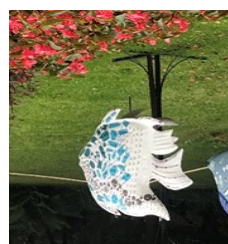

Ocean Fish Trail

A little while ago we included in our newsletter some information about the Ocean Fish Trail which is a partnership between local schools and the British Ironwork Centre (BIC). The school's ocean trail project features 30 fish sculptures which have been made at the BIC and have been primed, painted and decorated by school pupils in Telford and Wrekin. The purpose of the trail is to remind everyone to not pollute our oceans and to keep plastics out of the sea.

The fish are now on display in Telford Town Park at the back of the Chelsea Gardens. The display is well worth a visit to see how the schools have incorporated this message into their designs and the fish look amazing!

Wraparound Care

Our wraparound care provision started this week and has been a big success! The children and staff have all enjoyed being together and we are sure it will continue to go from strength to strength. We would like to say a huge thank you to Mrs Brayne and Miss Doody!

If you would like your child to attend, please complete a booking form (available online or in reception) and return to school with a payment at least one week in advance.

The children can either have a bowl of cereal or toast with a drink in the mornings and a piece of fruit and a drink in the after school club. If they stay for the second session 4:40pm-5:30pm, they can also have a snack if they wish. The cost of the provision is £2.50 per day for breakfast and £3.50 for after school session 1 (3:20-4:30) and £3.50 for session 2 (4:30-5:30)

East Telford Benefice

Messy Church is a way of being church for all ages, based on creativity, hospitality and celebration. Starting at 4pm we make, read, listen, sing and eat together until 6pm when we pack away until the next time. We have lots of fun and make lots of friends. We'd love you to come along and join us.
