

Review our provision for extending pupils' learning to increase the number of children achieving ARE+.

Introduce a consistency in Maths displays throughout school.

Keep staff updated on changes to the curriculum and Government guidance.

Improve fluency and recall of fundamental number skills.
Introduce daily maths recall.

Raise the attainment and close gaps between all groups, including boys & PPG.

Develop a more effective monitoring process, which will include book scrutinies, learning walks and pupil voice.

Ensure high standards are expected consistently throughout school.

Increase the number of boys achieving above ARE.

Improve the use of children's mathematical

Become more 'outward facing' and collaborate with other schools.

Revisit the impact statement to reflect changes to our Maths offering.
