## 'Wrockers' Weekly

'Love, Laugh and Learn'

### Friday 17th September 2021

Another fantastic week has been had by all at Wrockwardine Wood CE Juniors. All of the children are now settled into their new classes and the new routines. We are all particularly proud of our year 3s who are becoming so mature and sensible. From next week we would like all year 3 parents to drop their children off at the gate and let them walk in independently across the playground.

The first couple of weeks have seen the launch of many new and exciting activities including forest schools, ukulele and our class topics. All of our class topics are launched with a memorable experience. These have included a stone age day, castle building, emotive video and art activities. We hope the children have enjoyed these activities as much as the staff! Some children have also been incredibly busy completing homework activities – we have had some amazing models and timelines brought into school already. Well done and thank you to all of the staff and children for another wonderful week.

## Nala's Training Journey

It's been a tiring week being back at school with all these smelly children. They don't smell bad just very different from my children at home. I have spent lots of time on this weird plastic green stuff that I can't eat! I kind of bounce when I run on it, but it makes me skid and flip too. I have got a new training pal he is cool. He shouts come and drop at me but best of all he throws my yellow ball for me. Did you know that I can only see some colours? Yellow, blue, grey, white and some greens so it's really important that my new pal uses my favourite yellow ball. Miss Ashley and my new pal have been super generous with my treats this week too, all I have to do is bring my ball back- it's so easy but shushhh don't tell them. I am finding concentrating on my yellow ball a bit tricky because there are soooo many new smells and the lovely children at school even leave little bits of their lunch for me to find but Miss Ashley and my new pal are always asking me to drop them! It's so unfair.

## Library Fun!

Over the summer holidays, our library has had a makeover! We also appointed 12 wonderful librarians who took part in an application process to gain their job title. This week, our librarians have been working hard and our library is now open at lunchtimes for all year groups on different days! The children have really enjoyed the opportunity to read and take part in fun activities in the library and they have also been able to take books out to read at home. After half term, Mrs Slow will be opening up the library to parents or guardians with children on a Friday after school for a 'Friday Fun' club where you are welcome to come along and read with your children, play games, colour, do some book-based activities or take books out, so look out for further announcements, we are looking forward to welcoming you to our new library soon!

A huge well done and thank you to our wonderful librarians:

Alesha, Eboni, Isla, Olivia J and Ella A

## New Staff

We would like to welcome the following new lunchtime staff to our team:

Mrs Joanne Guy—Lunchtime Supervisory Assistant

Miss Lorna James — Lunchtime Supervisory Assistant

Mrs Shannon Hutchinson— Lunchtime Supervisory Assistant

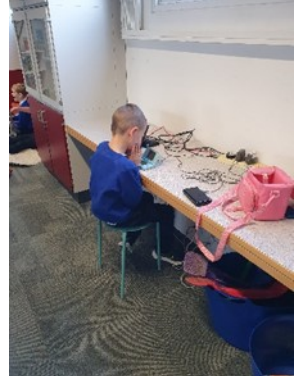

### Wraparound Care

The children and staff are all enjoying our breakfast and after school sessions. The children are having fun using the equipment and games in there and joining in with games with children in other year groups which is great.

If you would like your child to attend, please complete a booking form (available online or in reception) and return to school with a payment at least one week in advance.

The children can either have a bowl of cereal or toast with a drink in the mornings and a piece of fruit and a drink in the after school club. If they stay for the second session 4:40pm—5:30pm, they can also have a snack if they wish. The cost of the provision is £2.50 per day for breakfast and £3.50 for after school session 1 (3:20pm—4:30pm) and £3.50 for session 2 (4:30pm—5:30pm)

### Forest School—3H and 4W

#### *Forest School Diary entry: Thursday 16th September*

*Yesterday we made some tree decorations. First we chose our wool. Next, we tied the wool on a paper plate. After that, we twisted the wool and made a tree with roots. Finally, we decorated our tree with nature.*
