## 'Wrockers' Weekly

'Love, Laugh and Learn'

### Friday 24th September 2021

It has been an absolute pleasure to visit the classrooms around school today. The children have thoroughly enjoyed the opportunity to be creative and explore a wide range of artists in their new sketchbooks. I can't wait to see some of the finished artwork displayed around school next week.

Thank you to all of our year 3 children and parents who are now entering school independently in the mornings. We would really appreciate your continued support with this and would ask that from Monday, all children are dropped off at the gate. Thank you.

### Arrival at school in the mornings

If your child walks to school alone in the mornings, we respectfully ask that you **DO NOT** allow your child to come to school too early. We are frequently having children arrive much too early for school who then wait unsupervised on the footpath outside. This is causing a dangerous situation with parents who have pushchairs having to navigate around them and on to the road. We have a breakfast club provision at a cost of £2.50 per day if you need to leave home before school starts to get to work. Please ask at the school office. Thank you.

### Headteacher's Award:

Eden H & Deepika K

Well done!

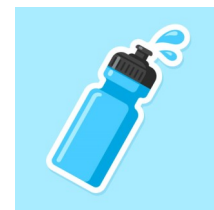

### Bikeability—Year 6

There are still a few places left for the Bikeability Year 6 training— please ask at the school office for a permission slip.

### Drinks at school

When sending in drinks for your child to have a break time or lunchtime, please make sure that they **DO NOT** bring in fizzy pop. Please also make sure that your child's drinks bottle is clearly labelled with their name.

Thank you for your co-operation.

### Attendance

What should I do if my child is unwell or has an appointment?

Please call the school office no later than 8.45am, 01952 387880, leaving a message stating your child's name, class, and a brief explanation of the nature of the illness.

Alternatively, email [A3129@telford.gov.uk](mailto:A3129@telford.gov.uk) with **attendance in the subject field**, a message stating your child's name, class, and a brief explanation of the nature of the illness.

### IMPORTANT: Contact is required for every day of absence.

Please **DO NOT** message your class teacher directly, these messages may be missed.

Thank you for your continued support with making sure your child's attendance is where it should be.

### Stars of the week

Well done everyone, you are all amazing!

### Uniform

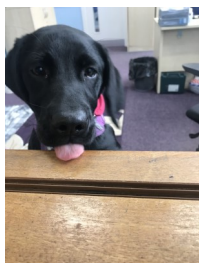

If you would like to purchase uniform, please collect an order form from Reception or download one from our website. This should be sent to school in a marked envelope with the payment. The uniform will be sent home with your child. If you would like to call into the office in person and purchase uniform, it can be done during the following days/times:

**Tuesdays, Wednesdays and Thursdays 10am-3pm**

**Please ensure that your child's uniform has their name inside. We are unable to trace lost uniform if it is not named. Thank you.**

### Tooth News!

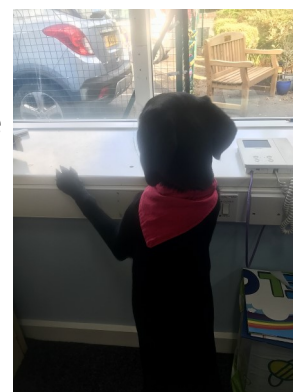

Nala lost her first tooth today! We're not sure if she's too happy about it?

### Nala News

Nala has enjoyed visiting some of the class-rooms today to look at the fantastic artwork going on around school. Whilst doing some training in 4B, she learnt all about Frida Kahlo who was a Mexican painter famous for her brightly coloured self-portraits. Nala has also been very interested in Year 6's Henry Moore sculpture which they have been creating throughout the day. Although, I do feel that her main interest was the hope that she could eat the Mod-roc! Nala is starting her socialisation training at the start of October and we hope to visit more classes with her as she progresses.

**When can I go OUTTTTTT??**

## **Reading Areas!**

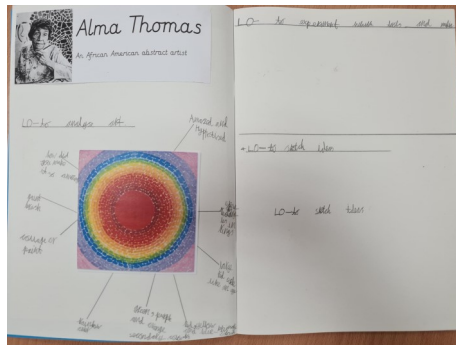

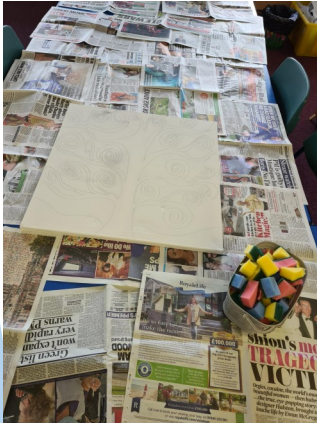

During the Summer holidays, the teachers and teaching assistants have been working hard to make sure they have inviting and comfortable reading areas within their classrooms. The children have been enjoying using them to read for pleasure! We would like to thank you for your all your support with reading at home with your children, it makes such a huge difference! Here are our lovely reading areas:

## Art Day

Today, the whole school have explored a variety of great artists from different countries and cultures. The children have learnt about the history of their class's artist, had the chance to develop skills and ideas, use a range of media and create a final piece. Each child has started their own sketchbook where they will record and experiment their own ideas, which will move up with them throughout their time in school. The quality of art that the children have produced today has been amazing and there has been a creative buzz in school all day.

## An Apology!

Last week when we reported on our library and our new librarians, we accidentally missed off some names! Please accept our apologies. Our lovely librarians are:

Alesha, Eboni, Isla, Olivia J, Ella A, Carinne, Lois, Jess S, Daisy-May, Mizanu, Eliza, and Raya

Thank you to you all
