### COVID MEASURES

We would like to say a big thank you to you all for your continued support throughout this week. We now unfortunately have three classes in stepped-up measures and one class home learning awaiting PCR results. We are continuing to be vigilant within school implementing rigorous measures to reduce the spread of Covid.

For those classes, home learning is available through our school website:

<https://www.wrockwardinewoodjunior.org.uk>

This will be updated weekly for those children who are isolating. We appreciate that this is a very difficult time for parents and staff but by working together, we can ensure the future protection of the children and staff in our school. If you have any concerns, please do not hesitate to contact me.

We must follow the advice given to us by Telford Health Hub and if your child has ANY symptoms, can we please ask that you get them PCR tested immediately. Thank you.

We are aware that there have recently been rumours circulating and an allegation made regarding a member of staff at school and their conduct. We want to re-assure you that this has been promptly investigated by ourselves and Telford and Wrekin Council and both we and the council agree that this incident has been investigated comprehensively and that no further action is required. Should anyone have any concerns, please call our school office to speak to a member of the senior leadership team.

### Music Heroes

On Wednesday evening Miss Cartwright and Mrs Perkins had the pleasure of attending the Music Heroes concert in Shrewsbury. Two of our children were invited to take part after they entered the Music Heroes competition. Both boys did us proud and played the most amazing pieces of music. They both played faultlessly and did so without sheet music!

Henry L (year 4) and Vincent H (year 6) on stage at the concert.

We had such a lovely evening and we are so proud of you both—you are absolute superstars and very talented.

If your child would like to take lessons with

Music Heroes, their details can be found here:

### Stars of the week

Well done everyone, you are all amazing!

## Anti-Bullying Week at WWJS

We have spent time each day this week shining a light on bullying and the steps that we can take together to stop it. The theme for this year's campaign is 'One Kind Word' - a theme that seems more important than ever. The isolation of the last year has underlined how little acts of kindness can break down barriers and brighten the lives of the people around us. With this in mind, we have completed a Kindness Challenge each day to remind ourselves of the importance of being kind.

Our PSHE lesson this week has focussed specifically on bullying and what we can do if we or someone around us is being bullied. We ended our lesson by creating a piece of artwork that represents us, with the idea that we are all different, but all equal. These will be used to create a whole school display that celebrates our commitment to anti-bullying and diversity.

## Anti-Bullying Workshops

The workshops we carried out focussed on forming healthy relationships in school. We spoke about the impact of one unkind word and one kind word and the effect that has on others. We carried out an experiment using a jug of clear water. We asked the children to put in just one drop of ink and everyone saw the effect that had on the water turning everything blue. We explained that the ink represents just one unkind word and once spoken, can impact the whole class and is impossible to take away.

To mark Anti-Bullying week, Wrockers Safety Squad have created a child-friendly Anti-Bullying leaflet and are delivering the below message to all our children:

**We know that bullying can happen anywhere, and we want everyone in our school to feel happy and safe all the time, so we have made this booklet so that everyone knows what to do if they are being bullied or see bullying happen. From Wrockers' Safety Squad**

**We want bullying to STOP so Start Telling Other People.**

Today we all wore our spots or our Children in Need clothing and raised £187 for Children in Need.

It was lovely to see all of the children make such an effort today in order to raise money for Children in Need. We had children wearing spots, Pudsey and Blush ears, home made t shirts and some fantastic outfits. Children in Need is a fantastic charity supporting those less fortunate than ourselves.

### Santa Run!

Yesterday, my childminder and all the children she looks after, ran 1 mile for charity - it was called the Santa run and we did 5 laps around the track. It was really fun and everyone enjoyed themselves! We're all going to get a medal too!

### Kwik Cricket!

We went to the tennis centre last Friday to play kwik cricket! There was a thrower and we had to bat the ball then run to the cones and give the ball to the next player. We all did really well and we got 132 points! We all had a great time!
