### FAQs

**How long is the visit?**

Average: 1 hr 15 min depending how long visitors wish to admire the view.

**Is Monet's house part of the tour?**

Guides are not allowed inside but you can visit on your own.

**Can I bring my dog?**

Dogs and other pets are not permitted.

This delightful, relaxing 5-star tour will whisk you away from the hubbub of Paris to the peaceful village, where Monet – a green-fingered gardener as well as a famous painter – created the glorious garden, which was the subject of so many of his amazing masterpieces. Your well-informed guide will delve into the past to help you enter the picture of Monet's life. Stand and admire his house with its famous pink façade and green shutters. Stroll, as he did, among the colourful flowerbeds. Pause to absorb the beauty of the climbing plants.

Witness for yourself the Japanese footbridge and the joyful sight of the water-lily pond. Often referred to as the 'Painter of Light', Monet would paint the same landscape at different times of day in order to capture changes in the light in the morning, afternoon and evening.
