

Wrockwardine Wood C of E Junior School

'Wrockers' Weekly

Friday 12th February

What's new this week...

I would like to thank all parents for their dedication and support in providing our children with a continued education through these very difficult times. You have all done a fantastic job juggling your own work, home life and home learning. I hope that next half term we will see all children return to school when it is safe to do so. We will keep you updated with any information regarding schools reopening as soon as we have it. We are continually improving and adapting our home learning offer and always welcome any feedback. If you have a spare couple of minutes it would be great if you could complete the on-line survey so that senior teachers can further review and develop the provision.

Free School Meals

If your child currently qualifies for free school meals then you should have received some vouchers (either actual vouchers or emailed ones) to cover their meals for the period 18th Jan to 12th Feb—please call school if this is not the case. From the week commencing the 15th Feb, this cost will be covered by the Local Government Winter Grant Scheme. You should receive an email to claim your one-off grant payments of £35 and £15. The free school meals vouchers will then start again from the company called Edenred and will cover the period from the 22nd Feb until the 5th March. Further information will follow if the Government decide that schools will remain closed after this time.

Art Work

In Year 3 we have been focussing on Wassily Kandinsky and emulating his famous piece of art work Concentric Circles in oil pastels. The children enjoyed exploring primary and secondary colours and creating a bright exciting piece of art work. We will be creating a fantastic display to showcase their work.
