Amazing Archers!

This week, Mrs Brayne took 6 of our lovely year 5s to Wrekin College to take part in an archery competition. They had a fantastic time and were a real credit to our school. Well done to Edward T, Ekam, Flynn H, Abbie, Lily S and Ashmeet!

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace. **Please also notify school by email on a3129@telford.gov.uk**

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

LFT kits should now be available for collection from The Place at Oakengates and at local libraries, in addition to the normal supply at pharmacies (which we're aware has been really patchy recently).

The link for ordering online is here: [Order coronavirus \(COVID-19\) rapid lateral flow tests GOV.UK \(www.gov.uk\)](https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests)

Important Online

Safety Notice

We have recently been made aware that some of our pupils have been using an app and website called omegle .

This app pairs two strangers together to talk to each other on video.

This site is not appropriate for children.

The Internet Safety organisation 'Internet Matters' states

'Omegle does not appear to have robust moderation nor is there a registration or age verification making them a potential target for online predators. There were also investigations into online child abuse on Omegle along with reports of racism, extremist views, scams, and cyberbullying '

Please take care to try and protect your child from visiting this site at home as it puts them at risk of harm.
