'Wrockers' Weekly

'Love, Laugh and Learn'

This Half Terms Value — Perseverance

Friday 4th February 2022

It has been a pleasure to welcome back several members of our staff this week who have returned from a period of absence due to Covid. Unfortunately, we still have members of staff who are isolating but hope to return to our full team next week. I would like to thank you for your continued support and co-operation. Just a reminder that if your child is at home and isolating but is feeling physically well, there is home learning available through the school website. www.wrockwardinewoodjunior.org.uk If you have any queries or concerns, please do not hesitate to get in touch.

Calling all Parents/Carers!

We would like to offer you the opportunity to participate in an online workshop focussing on e-safety. The workshop will be held over Microsoft Teams (an invite has been emailed to all parents).

Please see the flyer opposite for further details. This is a great opportunity for you to learn more about how to protect your child online and have the chance to ask an ICT specialist any questions you have.

The workshop is **free** for all our parents/carers.

If you are unsure how to join a Teams meeting, please call the school office and we will be happy to help.

Can you please scan the QR code to access an online survey prior to attending the workshop.

Thank you 😊

Electric Scooters Sadly, we had a report on Thursday evening from a delivery driver that two primary aged children were almost knocked down on Trench Road. The children were on an electric scooter in the road. Our local PCSO has spoken to all upper school children today to remind them this is illegal and highly dangerous.

Headteacher's Award:

Andrew K & Carinne H

Well done to you all for your awards, you are all AMAZING!

Dodgeball!

Some of our sporty year 5 pupils took part in a dodgeball competition on Monday against a variety of other schools in Telford. The event took place at Telford Tennis Centre and the team played fantastically! Mrs Landa really enjoyed being their coach and we are all very proud of you! Well done team! 🤝

Brilliant Books!

We know lots of our amazing pupils love reading at home! If they're unsure what to read next, or you want to make sure they are choosing books appropriate for their age at home, then please take a look at this website which gives a selection of the best books for each age group:

Book Review!

I am really enjoying reading *The Famous Five Go off to Camp!* It's all about camping trips up in fields and spooky trains in the dead of night. The trains seem to vanish so *The Famous Five* follow the train tracks to see where they go and they discover a very unusual destination! I would really recommend this for anyone who loves adventure stories and I would rate it as 4/5.

Wrockers' Safety Squad

This week we have been working on understanding the UNCRC (United Nations Convention on the Rights of the Child). We

have put up a new display in our entrance hall so that all our peers can see their rights.

Shropshire's Queen's Green Canopy campaign has been given a huge boost thanks to a generous legacy from the late Richard Mayall and his wife Anne who lived near Harmer Hill

As from January 2022 anyone in the county wishing to plant a tree at home as part of the Queen's Green Canopy can collect a tree for free, together with a stake and tie from Shrewsbury Town Council's Weeping Cross Nursery, SY5 6HT or Prees Heath Nursery, Whitchurch, SY13 2HR. Please reserve your free tree, while stocks last, by filling in the simple form on Shrewsbury Town Council website.

The Queen's Green Canopy (QGC) is a National project that the Shropshire Lieutenancy together with Shropshire County Council and Telford and Wrekin Council are supporting locally. It has been rolled out across Shropshire and the rest of the UK during the planting season from October 2021 to December 2022. This will be a long-lasting and valuable way to mark The Queen's Platinum Jubilee in 2022. The Lieutenancy and the Councils are keen to help ensure that as many trees as possible are planted for the Canopy in Shropshire.

This initiative will promote the importance of trees for the environment in a sustainable and relevant way and, it is hoped, thousands of trees will be planted across the county as a lasting legacy. Each planting can be commemorated by marking it on the map on the Queen's Green Canopy website

Richard Mayall's daughter Ginny said "This is open to anyone and everyone who has space or can find space to plant an appropriate tree. Our mission is to get Shropshire firmly onto the QGC map. My parents loved and valued the natural world and were deeply concerned about the loss of biodiversity in the UK. They would have been delighted to see native trees being planted all over Shropshire. We welcome everyone to get involved."
