Transition

On Monday and Tuesday, many of our Year 6 pupils took part in two exciting transition days at their new secondary schools, helping them get ready for their next big step in September as Year 7s.

We were equally thrilled to welcome our brand-new Year 3 cohort into the school! They had an amazing day and looked so grown up as they explored their new surroundings. The children loved meeting their new teachers, settling into their classrooms, and even getting to know Nala.

We're really looking forward to September, when every child begins a fresh chapter in their learning journey. There's so much to be excited about!

Year 6 Production: "I'm an 11 Year Old... Get Me Out of Here!"

On Thursday, our brilliant Year 6 pupils lit up the stage with their performance of "I'm an 11 Year Old... Get Me Out of Here!" Their energy, enthusiasm, and talent truly stole the show. From solo singing and live-ly acting to managing the music and sound, every child showed incredible bravery and teamwork.

The production was a roaring success—full of laughs, memorable moments, and standing ovations.

A huge well done to all the children and the fantastic Year 6 team. Your hard work and dedication shone through, and the pupils were a true credit to you. What a way to end the year!

F1 Lego

On the 4th July, 12 Year 4s went to AFC Telford United to take part in the Submerged Lego extravaganza. We had lots of fun doing different activities. To start the day off, we set up our Lego and Capgemini welcomed us to the amazing day. We will remember this for a long time! Throughout the day, we were challenged to find Lego Minifigs, the Harry Potter themed ones were our favourite (or Miss Turner's favourite!). In session 1, we played a game called Ball Points, UV Word Finder and then did some code breaking. In session 2, we did a Gutter Run, Cup Stacking, Mystery Build and Trapdoor. We had to work together and show a Lego core value: Teamwork. In session 3, we made badges, friendship bracelets and had a go at Mexican weaving – it was quite tricky! After lunch, we presented our Lego creations to four different judges. We were nervous, but we really impressed the judges. Afterwards, we had an award ceremony where we earned some medals made from Lego and a certificate! All our hard work over the last 12 weeks paid off as we had such a great day.

Attendance

It is so important that our children attend school every day. Missing one day of school means that children miss out on parts of their learning and social and emotional development. These gaps can make it more difficult for them to learn key concepts and skills.

We are committed to “working together to improve school attendance” and value your feedback. Please complete our online survey on attendance. This will help us consider how we can support our families to achieve good school attendance. Click <https://forms.office.com/e/a3fnG9hMZZ> to complete it or use the QR code below.

Dear Parents and Carers,

The new summer issue of the Family Grapevine is out now!

It is full of ideas for local activities, events, and helpful resources for the summer holidays & beyond.

For those who don't receive a print copy directly from school, you can either pick up a free copy at many family venues, leisure centres and libraries across the area, or you can access the full issue on our website:

Telford Flag Competition

This week, our talented children have been busy creating vibrant and imaginative artwork for the *Flying the Flag* competition, run by Telford & Wrekin Council. The challenge? To design a flag that represents the spirit and identity of Telford. Our pupils rose to the occasion with creativity and pride, producing a wonderful variety of designs that reflect the town's community, history, and future. Here are some of our fantastic entries—well done to all who took part! We will find out the results of the competition when we come back to school in the autumn term.

Active Families!

Here is an idea for a quick, active and fun activity you could carry out with your family this weekend! We hope you enjoy!

What's the Par?

What you need: 1 ball, broom, objects

How to play:

- In a safe space, create a golf hole using household objects e.g. socks for a gate, pot for an obstacle, dressing gown rope laid in a semi circle for the hole.
- Give yourself a par for the hole.
- See if you can complete the hole, using your broom as the club, within the par.
- Play the game again, can you complete the hole in fewer hits?

Playing against someone else?
Who can complete the hole in the fewest hits?

ONLINE FAIR PLAY

The Dos and Don'ts of Online Conduct

Alongside individual skill, impressive teamwork and some truly epic matches, one of the most enjoyable things about this summer's European football championships has been the sense of sportsmanship and fair play. Players have competed fiercely, but they've (mostly) remembered that they're representing their country – and that bad behaviour, dangerous play or outright cheating tends to last in people's memories for a long time after tournaments are over. The same is true of how we act online – one error of judgement or loss of control might only take a second, but can have results that are difficult to forget. Instead, just like the heroes of the Euros, we should aim for people to see us and feel proud and inspired. So, in a five-a-side line-up (with five "dos" and five "don'ts"), here are our top tips for playing fair online.

FAIR PLAY

- 1 Organise your defence**
Use strong passwords to protect your personal information, accounts and data. A trusted adult, like a teacher or a relative, can help you choose one that's easy for you to remember but hard for anyone else to guess.
- 2 Keep possession**
Only share personal information online with people you know well, like friends and family. A trusted adult will be able to help you change your online privacy settings so strangers can't find things out about you.
- 3 Use teamwork**
Before you use a device for the first time or download a new app, always check with a trusted adult. They'll be able to check if it's safe for you to use and make sure the privacy settings are right for you.
- 4 Be respectful**
Treat people online like you would treat them in real life. Remember your manners and be polite and kind in your posts, comments and messages.
- 5 Catch attackers offside**
If someone is trying to bully you online, a trusted adult can help you to gather evidence and report that person to the authorities. You should also tell a trusted adult if you see anything online that makes you feel worried, upset, frightened or sad.

FOUL PLAY

- 1 Don't ignore possible danger**
Never accept a friend request from a stranger. If somebody you don't know tries to contact you online, tell a trusted adult straight away.
- 2 Don't lose control & retaliate**
Although it can be tempting, it's best not to respond if someone attempts to bully you online or sends you hurtful messages. Tell a trusted adult what happened, and then block the person from contacting you again in future.
- 3 Don't hurt people deliberately**
It's important to behave online just like you would in real life. Don't post anything that can make you look like a bad person, because the things we put online can stay there for a long time.
- 4 Don't cheat your way to victory**
Don't copy another person's work that you found online or pretend that it's yours. This is called plagiarism and can get you into a lot of trouble.
- 5 Don't play for extra time**
It can be easy to spend too much time online. Instead, take a break to go outside for some fresh air and exercise. Not using your device just before bed will also help you get a good night's sleep so you can be fresh and focused the next day.
