SEND Newsletter

Autumn 2025

Mrs. Alison Williams

Hello and Happy New Year! It's been a busy first term for our children at Wrockwardine Wood CE Juniors.

We now have 240 children in our school, 52 of who are on the SEND Register, making it 21% of our school. The National Average is 18%.

At the end of the Autumn term, you should have received an evaluated provision map to see how hard your children have been working towards their individualised targets. It also shows which interventions they accessed in the Autumn Term and which ones they will receive this Spring Term.

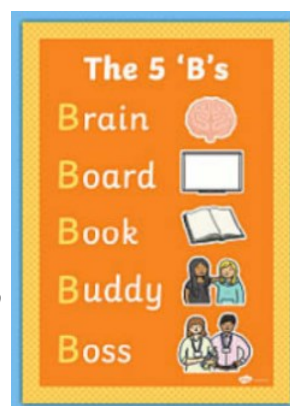

If you have any questions about these, or anything else SEND, please don't hesitate to get in touch on the contact details below. I have also set up a Dojo group, so if you don't have me as a contact on there, please let me know if you would like to and I can add you on.

SEND Contact Details: 01952 387880 alison.williams3@taw.org.uk

Pupil Voice

During the Autumn Term, our SEND Governor came into school to meet some of our children with SEND and look at their work. They proudly showed off the work in their books and talked confidently about their independence. Ask your children about 'The 5 Bs' and how this helps them become independent learners.

The children we spoke to also talked about their 'Flashbacks' and how this helps them to remember more about topics they have learnt previously.

Parents' Evening and Provision Maps

Thank you to everyone that came along to the additional Parents' Evening appointment in the Autumn Term, it was lovely to catch up with you and see how your children are progressing. There will be another opportunity this Spring Term to book an additional appointment with me. Please tick the box at the bottom of the letter and I will do my best to give you a time close to the class teacher's appointment.

If your child is on the SEND Register and you would like an additional slot with the SENDCO, please tick here ☐

Training

All staff received training in 'Attachment and Trauma' during the Autumn Term, helping us to understand why children behave in particular ways and wonderful strategies to support them. Understanding the brain development behind certain behaviours has improved empathy and understanding.

SEND Newsletter

Autumn 2025

Just a reminder that Telford Children's Autism Hub is now open to children on the **waitlist for a Bee-U assessment**, not just those children with a diagnosis.

TELFORD CHILDREN'S AUTISM HUB

Our Children's Autism Hub is available to children and young people aged 0-18, and their families, offering support for those with a formal diagnosis of Autism. We also now provide pre-diagnostic support for families who are on the Autism assessment pathway.

For individuals that have other needs, for example, a learning disability, the Autism Hub will provide support in respect of their Autism.

Our Hub is based at Hazledine House in the Town Centre

Children's Autism Hub Opening Hours

Monday to Friday: 9am - 5pm

Saturday & Sunday: Closed

PODS

PODS have a range of activities on for both children and parents/carers. Head over to their website to see their calendar and sign up to their newsletter.

PODS also have a befriending scheme to support parents and carers during challenging times.

Befriending Scheme

PODS Befriending Scheme is a network of trained parent carer volunteers who offer emotional support to other parent carers of children or young people with a disability or additional need, at the time of diagnosis or during challenging times related to their child's disability.

Every Befriender has a child or young person with a disability or additional need themselves. They have the relevant lived experience and know what it is like to cope with a new diagnosis and the challenges that come with it in the future. The Befriending Scheme is a free, confidential service. We support parent carers of children with any type of disability or special need.

To request a Befriender or more information about becoming a PODS Befriender, please contact, Kerrie Seagrave, Member Support Co-ordinator

 **Email:** kerrie@podstelford.org

 **Telephone:** 07309 753044.
