

Wrockwardine Wood C of E Junior School

'Wrockers' Weekly

'Love, Laugh and Learn'

Friday 5th February

Welcome

We would like to welcome you to our new newsletter the Wrockers Weekly. It will provide you with a weekly update of what exciting things have been happening in school, key dates and key information. We also hope that during the lockdown it will give your children a way to feel more connected with school. Thank you for all of your hard work and continued support.

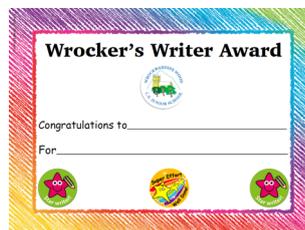

What's been Happening in School

Teams Meets

We were really pleased to see everyone on teams this week. All of the children thoroughly enjoyed chatting with their teacher and seeing their friends. All the staff miss you and can't wait to have you back in school full time and I am very excited about meeting you all personally. As some of the children didn't manage to get onto the teams meet this week teachers will be scheduling another invite for a story time session next week.

Fortnightly Writing Challenge from Mrs Platt

Mrs Platt will be challenging you to complete an extended write once a fortnight. This is an optional activity for all of you keen writers. Every fortnight she will upload the challenge and a short video on to the home learning section of the school website. This will not be marked but Mrs Platt will be choosing one star writer from each year group to receive a certificate celebrating your fantastic writing. We will share some of the writing on Do o. All work should be submitted to wrockers.writers@taw.org.uk

Whole School Art Project

Our Tree of Hope mural has been coming together nicely. Thank you for all of your contributions. We have been using this time to redecorate the school and add some new and exciting art pieces around the school so that when we welcome your children back to school it will be a fresh and bright learning environment for them.
